(559) 733-3861 □ (559) 733-3865 Fax

To be considered for an appointment to a service academy, an applicant must have a nomination from an authorized nominating source. Title 10, US Code Annotated establishes two nomination categories. The first, usually referred to as “congressional nominations,” includes the nominations of the Vice President and Members of the United States House of Representatives. The second, referred to as “service connected” or “military-affiliated” nominations, includes the selections of the President and nominations of the appropriate service. Appointment to an academy includes a four-year scholarship with a service obligation of six years.

Each academy’s freshmen class convenes in late June/early July. Therefore, high school students will be submitting their applications during the fall of their senior year and will enter the academy right after high school graduation. Students will be notified of their acceptance by April of the year they enter the academy.

General Nomination Admission Standards and Eligibility

The following eligibility requirements must be met by each applicant as of July 1 of the year of admission to the service academy.

Age	At least 17, but less than 23 years of age by July 1 of the year you would enter.
Citizenship	Must be a United States citizen.
Marital Status	Unmarried, not pregnant and have no legal obligation to support children or other dependents.

A candidate's competitive standing is determined by his or her high school academic records, rank in class, SAT-I or ACT standardized test scores, recommendations, leadership development potential, interest in the maritime industry, and the potential to develop into a competent officer. Required tests must be taken within 18 months of the application deadline. Candidates must also pass a medical exam set forth by the Department of Defense Medical Examination Review Board

Further questions concerning the nomination process can be directed to Congressman Nunes' Academy Coordinator, Nicky Henderson at 559.733.3861 or nicky.henderson@mail.house.gov.

Please note: A congressional nomination is not a guarantee of admission. The final decision to appoint will be made by the academy itself following the final review of your medical and academic qualifications by the Academy Admission's Board. The majority of appointments will be offered by the academies by April of the entering class year.
