

Academy Night

Hosted by Congressman Devin Nunes

If you are a student interested in pursuing a college education at a United States Service Academy, then I encourage you to attend my annual Academy Night. This is an opportunity for you and your parents to learn more about the nomination and appointment process.

Liaisons representing the Air Force Academy, Merchant Marine Academy, Military Academy (West Point), Naval Academy and ROTC will be in attendance to answer your questions and review the admissions procedure.

The evening will begin with a short overview followed by a panel discussion, and then a breakout session for one on one interaction with the liaisons. The dress code is casual.

I hope you will take advantage of this informational session and I look forward to your participation.
