ABOUT OUR WATER!

Wednesday, March 26

5:00 p.m.

Dinner provided at no cost!

6:00-6:30 p.m.

Drought Update

U.S. Bureau of Reclamation and State Officials will join East Side water leaders in a brief informational discussion of the

Zero Water Supply Allocation

for users along the Friant-Kern and Madera canals.

Learn what is being done and what more may need to happen if the Friant-Kern and Madera canals are going to have any CVP water to deliver this summer.

6:30-8:00 p.m.

Rally for Water!

Growers, farm workers and other East Side residents dealing with historic drought and unprecedented social and economic harm will have a chance
