114TH CONGRESS  
2D SESSION  

H. R.  

To amend the Internal Revenue Code of 1986 to provide for reporting and disclosure by State and local public employee retirement pension plans.

IN THE HOUSE OF REPRESENTATIVES

Mr. NUNES introduced the following bill; which was referred to the Committee on ______________________

A BILL

To amend the Internal Revenue Code of 1986 to provide for reporting and disclosure by State and local public employee retirement pension plans.

1 Be it enacted by the Senate and House of Representa-
2 tives of the United States of America in Congress assembled,

3 SECTION 1. SHORT TITLE.
4 This Act may be cited as the “Public Employee Pen-
5 sion Transparency Act”.

6 SEC. 2. FINDINGS.
7 The Congress finds the following:
(1) Pursuant to clauses 1 and 3 of section 8 of article I of the Constitution of the United States, the Congress has the authority to condition the continuation of certain specified Federal tax benefits upon State or local government employee pension benefit plans on the provision of meaningful disclosure under section 4980J of the Internal Revenue Code of 1986, as added by this Act.

(2) State and local government employee pension benefit plans have promised pension benefits to approximately 20,000,000 Americans who are active employees of these entities. An additional 7,000,000 retirees and their dependents currently receive benefits from State or local government employee pension benefit plans. The interests of participants in many of such plans are in the nature of property rights under State law.

(3) State and local government employee pension benefit plans are substantially facilitated by the favorable tax treatment of participants and beneficiaries, investment earnings, and employee contributions with respect to such plans provided by the Federal Government under the Internal Revenue Code of 1986.
(4) The investment of State or local government employee pension benefit plan assets, the distribution of benefits under such plans, and other related financial activities are facilitated through the use of instrumentalities of, and substantially affect, interstate commerce. These activities, which are interstate in nature and have a substantial impact on the national economy, affect capital formation, regional growth and decline, the national markets for insurance, and the markets for securities and the trading of securities of State and local governments.

(5) The financial status of State or local government employee pension benefit plans also has a direct impact on the national markets for insurance and trading of securities of State and local governments.

(6) State or local government employee pension benefit plans additionally have a substantial impact on interstate commerce as a consequence of the interstate movement of participants.

(7) State or local government employee pension benefit plans are becoming a large financial burden on certain State and local governments and have already resulted in tax increases and the reduction of services.
(8) In fact, a soon to be published study has determined that as of 2014, the present value of the already promised pension liabilities of the 50 States and major municipalities, calculated using the methodology prescribed by this bill, is $7,019,627,000,000 with unfunded liabilities at $3,412,587,000,000. These amounts are substantially higher than those reported by pension funds using the Governmental Accounting Standards Board’s (GASB) revised standards (total liabilities of $4,798,075,000,000 and unfunded liabilities of $1,191,035,000,000).

(9) Some economists and observers have stated that the extent to which State or local government employee pension benefit plans are underfunded is obscured by governmental accounting rules and practices, particularly as they relate to the valuation of plan assets and liabilities. This results in a misstatement of the value of plan assets and an understatement of plan liabilities, a situation that poses a significant threat to the soundness of State and local budgets.

(10) There currently is a lack of meaningful disclosure regarding the value of State or local government employee pension benefit plan assets and li-
abilities. This lack of meaningful disclosure poses a
direct and serious threat to the financial stability of
such plans and their sponsoring governments, im-
pairs the ability of State and local government tax-
payers and officials to understand the financial obli-
gations of their government, and reduces the likeli-
hood that State and local government processes will
be effective in assuring the prudent management of
their plans. The status quo also constitutes a serious
threat to the future economic health of the Nation
and places an undue burden upon State and local
government taxpayers, who will be called upon to
fully fund existing, and future, pension promises.

(11) State or local government employee pen-
sion benefit plans affect the national public interest
and meaningful disclosure of the value of their as-
sets and liabilities is necessary and desirable in
order to adequately protect plan participants and
their beneficiaries and the general public. Meaning-
ful disclosure would also further efforts to provide
for the general welfare and the free flow of com-
merce.
SEC. 3. REPORTING OF INFORMATION WITH RESPECT TO

STATE OR LOCAL GOVERNMENT EMPLOYEE

PENSION BENEFIT PLANS TREATED AS A TAX

EXEMPTION, ETC., REQUIREMENT FOR STATE

AND LOCAL BONDS.

(a) IN GENERAL.—Subpart B of part IV of sub-
chapter B of chapter 1 of the Internal Revenue Code of
1986 is amended by adding at the end the following new
section:

“SEC. 149A. REPORTING WITH RESPECT TO STATE OR

LOCAL GOVERNMENT EMPLOYEE PENSION

BENEFIT PLANS.

“(a) IN GENERAL.—In the case of a failure to satisfy
any requirement of subsection (a) or (b) of section 4980J
with respect to any plan maintained with respect to em-
ployees of one or more States or political subdivisions of
one or more States, no specified Federal tax benefit shall
be allowed or made with respect to any specified bond
issued by any such State or political subdivision (or by
any bonding authority acting on behalf, or for the benefit,
of such State or political subdivision) during the non-
compliance period.

“(b) NONCOMPLIANCE PERIOD.—For purposes of
this section, the term ‘noncompliance period’ means, with
respect to any State or political subdivision in connection
with any failure described in subsection (a), the period be-
ginning on the date that the Secretary notifies such State or political subdivision of such failure and ending on the date that such failure is cured (as determined by the Secretary).

“(c) SPECIFIED BOND.—For purposes of this section, the term ‘specified bond’ means—

“(1) any State or local bond within the meaning of section 103,

“(2) any qualified tax credit bond within the meaning of section 54A, and

“(3) any build America bond within the meaning of section 54AA.

“(d) SPECIFIED FEDERAL TAX BENEFIT.—For purposes of this section, the term ‘specified Federal tax benefit’ means—

“(1) any exemption from gross income allowed under section 103 (relating to interest on State and local bonds),

“(2) any credit allowed under section 54A (relating to credit to holders of qualified tax credit bonds),

“(3) any credit allowed under section 54AA (relating to build America bonds), and
“(4) any credit or payment allowed or made under section 6431 (relating to credit for qualified bonds allowed to issuer).”.

(b) REPORTING REQUIREMENTS.—Chapter 43 of such Code is amended by adding at the end the following new section:

“SEC. 4980J. FAILURE OF STATE OR LOCAL GOVERNMENT EMPLOYEE PENSION BENEFIT PLANS TO MEET REPORTING REQUIREMENTS.

“(a) ANNUAL REPORT.—For purposes of section 149A, the requirements of this subsection are as follows:

“(1) IN GENERAL.—The plan sponsor of a State or local government employee pension benefit plan shall file with the Secretary, in such form and manner as shall be prescribed by the Secretary, a report for each plan year beginning on or after January 1, 2017, setting forth the following information with respect to the plan, as determined by the plan sponsor as of the end of such plan year:

“(A) A schedule of funding status, which shall include a statement as to the current liability of the plan, the amount of plan assets available to meet that liability, the amount of the net unfunded liability (if any), and the funding percentage of the plan.
“(B) A schedule of contributions by the plan sponsor for the plan year, indicating which are or are not taken into account under subparagraph (A).

“(C) Alternative projections which shall be specified in regulations of the Secretary for each of the next 60 plan years following the plan year of the cash flows associated with the current liability, together with a statement of the assumptions used in connection with such projections. The Secretary shall specify in such regulations the projection assumptions to be used as necessary to achieve comparability across plans.

“(D) A statement of the actuarial assumptions used for the plan year, including the rate of return on investment of plan assets and assumptions as to such other matters as the Secretary may prescribe by regulation.

“(E) A statement of the number of participants who are each of the following—

“(i) those who are retired or separated from service and are receiving benefits,
“(ii) those who are retired or separated and are entitled to future benefits,
and
“(iii) those who are active under the plan.
“(F) A statement of the plan’s investment returns, including the rate of return, for the plan year and the 5 preceding plan years.
“(G) A statement of the degree to which, and manner in which, the plan sponsor expects to eliminate any unfunded current liability that may exist for the plan year and the extent to which the plan sponsor has followed the plan’s funding policy for each of the preceding 5 plan years. The Secretary shall prescribe by regulation the specific criteria to be used for meeting the requirements of this paragraph.
“(H) A statement of the amount of pension obligation bonds outstanding.
“(I) A statement of the current cost of the plan for the plan year.
“(2) TIMING OF REPORT.—The plan sponsor of a State or local government employee pension benefit plan shall make the filing required under paragraph (1) for each plan year not later than 210 days
after the end of such plan year (or within such time
as may be required by regulations prescribed by the
Secretary in order to reduce duplicative filing).

“(b) ADDITIONAL REPORTING REQUIREMENTS.—
For purposes of section 149A, the requirements of this
subsection are as follows:

“(1) SUPPLEMENTARY REPORTS.—In any case
in which, in determining the information filed in the
annual report for a plan year under subsection (a)—

“(A) the value of plan assets is determined
using a standard other than fair market value,
or

“(B) the interest rate or rates used to de-
termine the value of liabilities or as the dis-
count value for liabilities are not the interest
rates described in paragraph (3), the plan spon-
sor shall include in the annual report filed for
such plan year pursuant to subsection (a) the
supplementary report for such plan year de-
scribed in paragraph (2) of this subsection.

“(2) USE OF PRESCRIBED VALUATION METHOD
AND INTEREST RATES.—A supplementary report for
a plan year filed for a plan year pursuant to this
subsection shall include the information specified as
required in the annual report under subparagraphs
(A), (F), (G) and (I) of subsection (a)(1), determined as of the end of such plan year by valuing plan assets at fair market value and by using the interest rates described in paragraph (3) to value liabilities and as the discount value for liabilities.

“(3) INTEREST RATES BASED ON U.S. TREASURY OBLIGATION YIELD CURVE RATE.—

“(A) IN GENERAL.—The interest rates described in this subsection are, with respect to any day, the rates of interest which shall be determined by the Secretary for such day on the basis of the U.S. Treasury obligation yield curve for such day.

“(B) U.S. TREASURY OBLIGATION YIELD CURVE.—For purposes of this subsection, the term ‘U.S. Treasury obligation yield curve’ means, with respect to any day, a yield curve which shall be prescribed by the Secretary for such day on interest-bearing obligations of the United States.

“(c) DEFINITIONS AND SPECIAL RULES.—For purposes of this section—

“(1) STATE OR LOCAL GOVERNMENT EMPLOYEE PENSION BENEFIT PLAN.—The terms ‘State or local government employee pension benefit plan’
and ‘plan’ mean any plan, fund, or program, other
than a defined contribution plan (within the mean-
ing of section 414(i)), which was heretofore or is
hereafter established or maintained, in whole or in
part, by a State, a political subdivision of a State,
or any agency or instrumentality of a State or polit-
ical subdivision of a State, to the extent that by its
express terms or as a result of surrounding cir-
cumstances such plan, fund, or program—

“(A) provides retirement income to em-
ployees, or

“(B) results in a deferral of income by em-
ployees for periods extending to the termination
of covered employment or beyond, regardless of
the method of calculating the contributions
made to the plan, the method of calculating the
benefits under the plan, or the method of dis-
tributing benefits from the plan.

“(2) FUNDING PERCENTAGE.—The term ‘fund-
ing percentage’ for a plan year means the ratio (ex-
pressed as a percentage) which—

“(A) the value of plan assets as of the end
of the plan year bears to

“(B) the current liability of the plan for
the plan year.
(3) CURRENT LIABILITY.—The term ‘current liability’ of a plan for a plan year means the present value of all benefits accrued or earned under the plan as of the end of the plan year.

(4) PRESENT VALUE.—

(A) IN GENERAL.—The present value of an accrued benefit shall be determined by discounting its future cash flows in accordance with subsection (b)(3). The present value of all benefits accrued for a participant shall be calculated as the sum of the present value of the accrued benefit for each exit event multiplied by the probability of the associated exit event.

(B) EXIT EVENT.—An ‘exit event’ occurs when the employment of a plan participant terminates. For each currently employed plan participant as of the measurement date, there are one or more potential future exit events. Each exit event is associated with a termination date, a cause of termination (e.g., retirement, death, disability, quit, etc.), a contractual benefit, and a probability that the participant will exit employment via the particular event.

(5) ACCRUED BENEFIT.—
“(A) IN GENERAL.—An ‘accrued benefit’ is determined for each exit event as the projected benefit multiplied by service earned as of the measurement date divided by service projected to be earned by the event date. For participants retired or separated from service as of the measurement date, the accrued benefit equals the projected benefit.

“(B) PROJECTED BENEFIT.—As of the measurement date, a ‘projected benefit’ (consisting of future cash flows) is calculated for each possible exit event using service projected to be earned to the event date and salary as of the measurement date. Such projected benefit shall reflect any cost-of-living adjustments payable in the future based on the law in effect as of the measurement date.

“(6) MEASUREMENT DATE.—The term ‘measurement date’ means the date as of which the value of the pension obligation is determined (sometimes referred to as the ‘valuation date’).

“(7) CURRENT COST.—The term ‘current cost’ of a plan for a plan year means the present value as of the end of the plan year of all benefits accrued or earned under the plan during the plan year.
“(8) PLAN SPONSOR.—The term ‘plan sponsor’ means, in connection with a State or local government employee pension benefit plan, the State, political subdivision of a State, or agency or instrumentality of a State or a political subdivision of a State which establishes or maintains the plan.

“(9) PARTICIPANT.—

“(A) IN GENERAL.—The term ‘participant’ means, in connection with a State or local government employee pension benefit plan, an individual—

“(i) who is an employee or former employee of a State, political subdivision of a State, or agency or instrumentality of a State or a political subdivision of a State which is the plan sponsor of such plan, and

“(ii) who is or may become eligible to receive a benefit of any type from such plan or whose beneficiaries may be eligible to receive any such benefit.

“(B) BENEFICIARY.—The term ‘beneficiary’ means a person designated by a participant, or by the terms of the plan, who is or may become entitled to a benefit thereunder.
“(10) PLAN YEAR.—The term ‘plan year’ means, in connection with a plan, the calendar or fiscal year on which the records of the plan are kept.

“(11) STATE.—The term ‘State’ includes any State of the United States, the District of Columbia, the Commonwealth of Puerto Rico, the United States Virgin Islands, American Samoa, Guam, and the Commonwealth of the Northern Mariana Islands.

“(12) FAIR MARKET VALUE.—The term ‘fair market value’ has the meaning of such term under section 430(g)(3)(A) (without regard to section 430(g)(3)(B)).

“(d) MODEL REPORTING STATEMENT.—The Secretary shall develop model reporting statements for purposes of subsections (a) and (b). Plan sponsors of State or local government employee pension plans may elect, in such form and manner as shall be prescribed by the Secretary, to utilize the applicable model reporting statement for purposes of complying with requirements of such subsections.

“(e) TRANSPARENCY OF INFORMATION FILED.—The Secretary shall create and maintain a public Web site, with searchable capabilities, for purposes of posting the information received by the Secretary pursuant to sub-
sections (a) and (b). Any such information received by the Secretary (including any updates to such information received by the Secretary) shall be posted on the Web site not later than 60 days after receipt and shall not be treated as return information for purposes of this title.”.

(c) CLERICAL AMENDMENTS.—

(1) The table of sections for subpart B of part IV of subchapter B of chapter 1 of such Code is amended by adding at the end the following new item:

“Sec. 149A. Reporting with respect to State or local government employee pension benefit plans.”.

(2) The table of sections for chapter 43 of such Code is amended by adding at the end the following new item:

“Sec. 4980J. Failure of State or local government employee pension benefit plans to meet reporting requirements.”.

SEC. 4. GENERAL PROVISIONS AND RULES OF CONSTRUCTION.

(a) LIMITATIONS ON FEDERAL RESPONSIBILITIES RELATING TO PLAN OBLIGATIONS AND LIABILITIES.—

The United States shall not be liable for any obligation related to any current or future shortfall in any State or local government employee pension plan. Nothing in this Act (or any amendment made by this Act) or any other provision of law shall be construed to provide Federal Government funds to diminish or meet any current or future
shortfall in, or obligation of, any State or local government
employee pension plan. The preceding sentence shall also
apply to the Federal Reserve.

(b) NO FEDERAL FUNDING STANDARDS.—Nothing
in this Act (or any amendment made by this Act) shall
be construed to alter existing funding standards for State
or local government employee pension plans or to require
Federal funding standards for such plans.

(e) DEFINITIONS.—Terms used in this section which
are also used in section 4980J of the Internal Revenue
Code of 1986 shall have the same meaning as when used
in such section.
